Printers & Printer Supplies

RBT IV printer kit

Microprocessor controlled printer includes keypad to input subject identification number. Function keys simplify operation. Available in law enforcement and DOT versions.

Includes RBT IV Printer, carrying case, 100 mouthpieces, 3 rolls printer paper, printer ribbon, rechargeable battery, 120-volt battery charger, calibration tool, and manual.

SPECIFICATIONS

Connects to: DOT version: Blue dot Alco-Sensor IV
Law enforcement version: Green dot and red dot Alco-Sensor IV
Paper: single ply, small or large rolls. (Large roll requires paper hanger accessory)
Portability: Yes, 12 volt rechargeable battery.
Carrying case: Pelican or nylon case also holds Alco-Sensor IV

Slip printer

Impact printer can print directly on any paper, including 3-part DOT Alcohol Test Form, eliminating the requirement for tamper evident tape and time-consuming process of attaching results to forms.

Includes AC power supply, connecting cable.

SPECIFICATIONS

Connects to: Alco-Sensor IV with Memory (black dot)
Paper: Prints directly on any paper
Portability: Requires 120 v AC power
Carrying case: No

DP1012 printer kit

Impact printer connects with Alco-Sensor IV with Memory for DOT or law enforcement testing.

Includes DP1012 Printer, connecting cable, carrying case, 100 mouthpieces, 3 rolls printer paper, printer ribbon, rechargeable batteries, 120-volt battery charger, calibration tool, and manual.

SPECIFICATIONS

Connects to: Alco-Sensor IV with Memory (black dot)
Paper: Single-ply or 3-ply
Portability: Yes, rechargeable batteries.
Carrying case: Pelican or nylon also holds Alco-Sensor IV with Memory
